Spartans All Inclusive Learning (SAIL) is a course material model that reduces the cost of materials for students and ensures they have all their materials across all courses prior to the first day of class. Instead of purchasing materials a la carte, the cost will be included in their tuition or as a charge. The bookstore will provide each student with a convenient package for physical books and digital materials will be delivered directly to Blackboard. The cost is \$25.00 per credit hour.

The program provides all required textbooks, lab manuals and digital textbook versions to eligible students. The program does not include consumables that cannot be returned and reused such as lab goggles, dissection kits, molecular model kits, engineering kits or nursing kits. The deadline to return all rental textbooks is the last day of finals. The program provides you with the option to purchase textbooks at a reduced rate during the return period.

All NSU students will be automatically enrolled in the SAIL program. Students have the option to opt out of the program by completing the SAIL Opt-Out Form. Opting out means you will not receive access to your required course materials in a convenient package at a discounted rate.
