Mission
The Spartan Student Success Center (SSC) supports Norfolk State University’s mission of transforming lives and communities by empowering a culturally diverse student population through a comprehensive educational plan that addresses academic engagement, educational commitment, self-efficacy, and campus engagement.

Goal
To provide a systematic approach designed to improve student achievement, increase retention, and reduce the time to degree completion.

• Foster an open and responsive environment that encourages faculty and students to take an active interest and role in student success.
• Develop in each student the skills, attitudes, and beliefs necessary to foster an understanding of the process of learning to achieve academic, career and life goals.
• Work collaboratively with the campus community to promote student persistence and successful completion of the students’ educational goals.
• Assess the effectiveness of the Spartan Success Center and evolve in response to student needs.
• To assist students in becoming more independent, self-confident and efficient learners.

Child Development Laboratory
James Bowser Building, Room 113-A
(757) 823-8111

The Child Development Laboratory is part of Early Childhood Education program in the School of Education. The laboratory provides training and observation facility for class assignments, research, student teaching and field work. It provides a readiness curriculum for ages 2.5 to 5 years. Hours of operation are 7:30 a.m. to 5:30 p.m. Monday through Friday. For more information contact (757) 823-8111 or (757) 823-9241.

Community and Outreach Services
Brambleton Community Outreach Center
909 Marshall Avenue
Norfolk, VA 23504
(757) 823-8743

The Brambleton Outreach Center (Center) is Norfolk State University’s primary connection with its surrounding neighborhoods. The Center is the point of contact for those neighbors seeking information related to community/public service activities conducted by the university.
Student Benefits
If you are enrolled at Norfolk State University, test administration fees for Non-NSU university exams are waived. - Student Request Forms (http://www.nsu.edu/testingservices/student-request-forms/)

Military Benefits
Norfolk State University Testing Services is a fully funded CLEP test center. The United States government offers funding for all 34 CLEP exams through the Defense Activity for Non-Traditional Education Support (DANTES).

What to Expect When You Visit the Testing Center
- Outstanding and supportive customer service by certified test administrators and proctors
- A clean, comfortable and quiet test environment that is conducive to optimal test-taker performance
- Collaboration between testing services staff, faculty and administrators to ensure that students receive University and national tests in compliance with educational and professional testing standards

Coordination with the NSU Office of Accessibility Services/International Student Services (O.A.S.I.S.) (http://www.nsu.edu/oasis/) to ensure compliance with Section 504 of the Rehabilitation Act of 1973 and the American's with Disabilities Act. These mandates prohibit discrimination of individuals with disabilities and ensure that students with documented disabilities are afforded reasonable accommodations to have equal access to campus classes, activities, and resources

For more information or to schedule a test appointment please contact Testing Services at (757) 823-2504 or testingcenter@nsu.edu.

The Center for Applied Research and Public Policy
Brown Memorial Hall, C-142
(757) 823-9575

The Center for Applied Research and Special Projects is a computer-based social science research laboratory. Research and special projects include, but are not limited to, voting behavior studies; urban and neighborhood development studies; transportation studies; health population and policy studies; international development studies, and nonprofit organizations and government agencies restructuring studies. The Center provides opportunities for students as well as faculty to gain expertise. The Center for Applied Research and Special Projects is nationally recognized as one of the most technologically advanced research centers in the country. For more information, please contact Dr. Rudolph Wilson at (757) 823-9575.

Planetarium
Wood Science Building Room 119
(757) 823-9909

The Norfolk State University Planetarium is primarily a sky theater and laboratory, which may serve as a dramatic and fascinating facility for teaching concepts of Earth space science.

The Planetarium provides public shows for the University, the community, and the general public as a community service. Interested community groups are invited to make reservations for a prepared show, or they may request planetarium personnel to create a “tailor-made” program on a topic of special interest.

STARS Tutoring Center
Department of Nursing & Allied Health, NGE Room 311
(757) 823-2453

The Science and Technology Academicians on the Road to Success (STARS) is a school-wide program that builds on the successes of Norfolk State University’s undergraduate Science, Technology, Engineering and Mathematics (STEM) programs.

The STARS Peer Tutoring Program offers free, one-on-one tutoring or group tutoring for students taking courses in: biology, chemistry, computer science, engineering, mathematics, nursing, physics, and technology. Tutoring is provided by graduate and undergraduate peer tutors who have been trained in effective tutoring techniques in accordance with College Reading and Learning Association Guidelines.

Teacher Education Resource Center (TERECE)
Bozeman Education Building, Room 225
(757) 823-8715

The H.H. Bozeman Integrated Media Resource Center is committed to providing high quality service to teacher education candidates. The center increases the capacity of teacher candidates/interns to meet the requirements of methods courses. The primary goal is to link students with teacher resources. Education materials are available for loan, including assessment instruments, curricula, audio visuals, reference books, computer software, and assistive technology. For more information, please contact Dr. Leon Rouson at (757) 823-2260.
