Admission to Nursing program are delineated in the Student Handbook. Specific policies related to grading, promotion, and retention in the program are detailed in the Student Handbook. The Virginia Board of Nursing (VBON) has the authority to deny, revoke or suspend a license issued, or to otherwise discipline a licensee upon proof that the licensee has violated any of the provisions of a specified Code of Virginia. Individuals with criminal records may be denied licensure and must contact the VBON for further information.

There are two BSN Nursing tracks offered:

1) The Traditional (pre-licensure) track is a full-time track that can be completed in five (5) semesters.

2) The Online (RN to BSN) track (designed to individuals who have associate degrees or diplomas in nursing) can be completed in (4) five-weeks terms full-time or (5) five-week terms part-time.

Graduates are prepared as generalists in the practice of professional nursing. Upon graduation from the Traditional (pre-licensure) nursing track, individuals are eligible to take the National Council Licensing Examination (NCLEX-RN) for Registered Nurses.

The Virginia Board of Nursing (VBON) has the authority to deny, revoke or suspend a license issued, or to otherwise discipline a licensee upon proof that the licensee has violated any of the provisions of a specified Code of Virginia. Individuals with criminal records may be denied licensure and should contact the VBON for further information.

Policies
Specific policies related to grading, promotion, and retention in the program are delineated in the Student Handbook.

Admission to Nursing
1. Admission to University prior to semester of the desired entry into the nursing sequence.
2. Submission of a separate application for admission to the Nursing Department.
3. Students must complete two units of high school or higher mathematics (including one unit of algebra), one unit of biology, and one unit of chemistry with a minimum G.P.A. of 2.0 in each course.
4. Students must have a cumulative G.P.A. of 2.5 or better in high school or course work.
5. For admission to the Traditional Program, students must have a cumulative grade point average of 2.8 and a minimum grade of "C" in all prerequisite courses. Students must complete the National League of Nursing (NLN) RN Preadmission Exam. (See Nursing Program for additional criteria).
6. For admission to the Upper Level Baccalaureate Program (RN-Completion), student must be licensed in the Commonwealth of Virginia as a RN.
7. For admission to the 2nd Degree Program, student must have completed an undergraduate or higher degree and defined prerequisites.
8. For admission to the LPN to BSN Program, student must be licensed in the Commonwealth of Virginia as a LPN and must have completed defined prerequisites.

Criteria for Readmission
Readmission is competitive and is granted on a space available basis. A Letter of Request for Readmission should be addressed to the Admissions Coordinator. The Admissions, Promotion, and Retention Committee makes recommendations for readmission. The final decision to grant readmission to the nursing program, however, rests with the Department Chairperson.

Allied Health
Dr. Marie St. Rose
Director
(757) 823-2480

Allied Health offers both a Bachelor of Science degree in Health Services Management and a Certificate of Completion in Health Services Management.

Policies
Admission to the Health Services Management Program is contingent upon acceptance by Norfolk State University.

Specific policies related to Health Services Management are delineated in the student handbook.

Objectives
1. Apply the steps used in the managerial decision making process to solve a problem.
2. Demonstrate knowledge of the Internal and external environment of health care organizations.
3. Develop competency skills in the functional areas of planning, organizing, staffing, leading and controlling.
4. Demonstrate professionalism and ethical behavior.
5. Construct and present effective oral and written communication.
6. Interpret and synthesize data in the delivery of health care services.
7. Apply technological tools in the delivery of health care services.

Admission to Medical Technology Professional Phase
1. Students must seek application through the Medical Technology Admissions Committee.
2. Students must complete all prerequisite courses by the end of the semester preceding the Clinical Phase.
3. Students must have a minimum science G.P.A. of 2.0.
4. Students must submit three letters of recommendation from persons familiar with the students’ ability.
